STABILITY CERTIFICATE

I, personally visited the existing building of **c.b.s.e affiliated school namely scholar beam school** situated at chandrabani cholia, p.o.-mohabewala barowala grant dehradun, on 23-03-2021

The existing school building has been built-up on 5 mt. wide road and has been built-up as per indian standard building specification and good quality material has been used. The stability certificate is issued only for 3 years. It will be re-issued after physically verification of position of building after 3 years.

Remarks- Provision of full size safety m.s. grill is not on existing verandah
